Manager McIlveen announces that arrangements are being made toward the se-

curing of ground for the staging of the game. Because of lacking space for the depositing of concentrator tailings, the A. Steamed puddings will not be heavy if made with KC Baking Powder and cooked slowly to give the pudding time to rise before the dough is cooked through. Have a low blaze under the water for at least the first fifteen minutes.

K C Marble Pudding

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.
2 cups sifted pastry flour; 2 level teaspoonfuls K C Baking Powder; 1/2 teaspoonful cinnamon; 1/2 teaspoonful salt; yolks of 2 eggs, beaten light; 1 cup sugar; 1/2 tablespoonful melted butter; 1/2 cup cold water; whites of 2 eggs, beaten dry; 1/4 ounces melted chocolate.

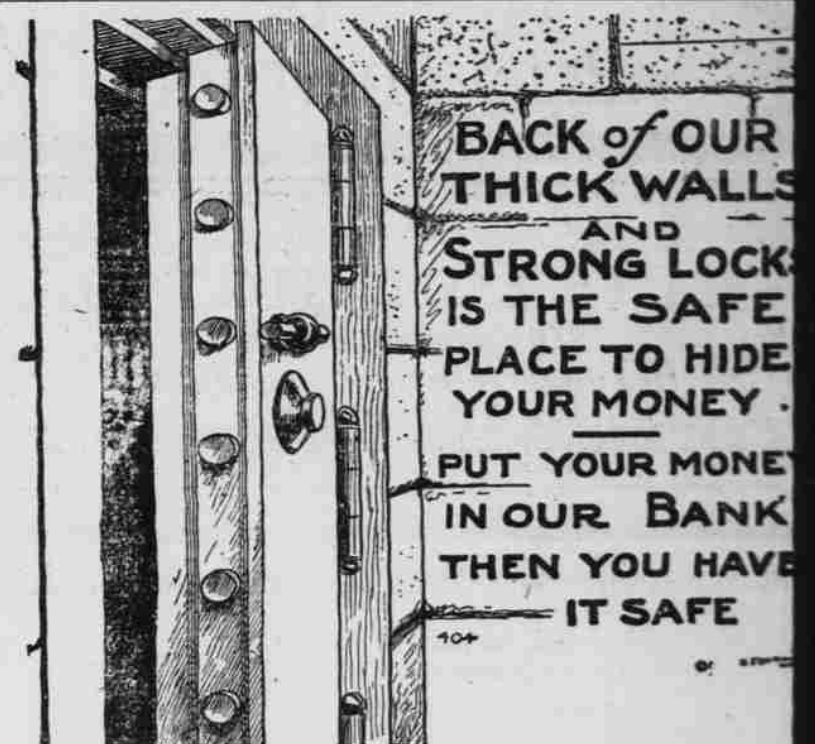

Sift together, three times, the flour, baking powder, salt and cinnamon. To the yolks add the sugar, butter and water, and stir into the dry ingredients. Add the whites of the eggs. Divide the mixture into two parts and add the chocolate to one part. Dispoose the two parts in a buttered mold to give a marbled appearance. Steam forty-five minutes.
